iGO®

TESTIMONIALS

"iGO has made my life easier. No one has to review and look at apps. With iGO, I know it's going to be a quick process and I'm going to get paid faster."

– Agent iGO User

"I sent the app to my customer on Thursday. Friday morning he e-Signed it. Monday he did his paramed. By the end of the week, the policy was issued. Game changer."

- Advisor iGO User

"My frustration with missing forms and the promise of an in good order application on the first shot led me to try iGO. Try it and you'll be hooked. You would have to pay me to do another life insurance application with paper. Processing new business has never been smoother, and my clients are getting a more professional experience."
